Something for the Workingmen to Remember.

It would be hardly possible to put the free trade case more clearly or more strongly. The

Cleveland uses are those which plet surely there can be no injustice in Cleveland uses are those which relieving the people of a needless burden. Colored Convention at Indianapolia. What These contradictory sentiments appreciate Mr. (Owen is understood to claim is that forty-five years ago, and which to the Commercial ere most confiding and he chanced to evertuar a conversation in section to the Contradictory sentiments. We will, a curridor of the Capitol between J. Milmy English free trader would therefore, give our contemporary one more ton Turber and a certain member of Conemploy now. They are purely opportunity to get down on one dide or the other of the lowber tariff, by again salting free trade arguments, and as a to inform its readers whether it has such we are very glad to see changed its opinion concerning the injus-ity of the popular which makes it is the previously repudiated. Now the transfer which makes it is the commercial case its dedging and answer this assertion and has a second this contribution. dangerous to give them their Asito the Commercial's declaration that right name. - London Times.

at issue in the struggle and candidate in everything but name. The reservation is an important one for American world, at the commercial pirate of the party purposes. The President feels compelled to characterize the attempt to brand from a free trader as a deception of his enemies. For all that, the electoral conflict new in progress is a conflict here trader and market of the important of our ministerization of the important of the free output of the competition of the com shows that he is a free trade tween free trade and protection, and nothing less .- Lon-

to America and votes for free Licolaver much as though we would trade. - London Times.

a) of the teriff from lumber would be a "gratultous injustice" to Maine people. The Hon. George Walker says # will do so harm. The brethren should get to gether and agree upon something. Their irrescopilable ecories leave the poor Demoerat who is seeking light from Democratic rest to a bedly desed condition.

That Colored Convention. EXPOSTREOF THE ORIGIN OF THE SO CALLED DEMOCRATIC COLORED CONVEN-TION AT INDIANAPOLIS.

Manual Despatch to the Boston Journal | WASHINGTON, August 14. There is | equel to the incident in the Bosse to-day In which Representative Owen of Indiana made an exposure of the critic of the so made an exposure of the origin of the so on evaling these essential feature of a measure which it is to-day championing in its indianapolis. Mr. Owen's charge is that a own pevalur cowardly manner? If a probability pending in the House for the relief of the Cherobse freedmen is the ramit, of a the Cherokee freedmen is the result of a people, or as it indicates a tax upon the bargain with J. Militon Turner, attorney con water, what did it mean when it do for the freeders, and cortain Dissecutive clearly or more strongly. The chard that a removel of the tariff upon and that the passage of the bill is one of the gramments which President lumber would be as tojustice to our progrees, the burden of which occurrentian was that Mr. Turner had undertaken to organise this convention for the Democircle and at the request of the Dec and that is report for his service he expertod to have this bill for the relief of the Couroiss freedings passed, as be had a very large contingent interest in the bill, reported to be \$75,000. Representative Owen was predent coough to at once reduce to writing this conversation, and to substit it to one or two either persons who also beard all or parts. Those other persons is in said, are prepared to make affiderity to the accuracy of the report

which Mr. Owen wrote at the time. The Chamercial's lynx-eyed critic seems m have found morse fault with Mr. Boutelle's setion at Brunswick whileh did not appear to the newspaper correspondents. who were there. The Boston Journal's special days:

Cupt. Boutelle showed no inclination to speak, withough united for. Cheers for Blaine and for him were given and the train started. Just as it began to move Capt. Boutelle shouted: "Torn out as strong of the polis as you have turned out here to-day and we will have Earrison, Morton and Blaine." (Great theering.)
